- ¹ 6-month exclusion period if the member does not have one year of prior dental coverage with no more than a 90-day break in coverage from the end of the old policy to the effective date of the new Delta Dental policy.
- ² 12-month exclusion period if the member does not have one year of prior dental coverage with no more than a 90-day break in coverage from the end of the old policy to the effective date of the new Delta Dental policy.

Limitations

Class 1

- Bitewing X-rays once in a 12-month period
- Exam once in a 6-month period
- Fluoride is covered once in a 6-month period under age 19 and once every 12 months if there is recent history of periodontal surgery or high risk of decay due to medical disease or chemotherapy or similar type of treatment for age 19 and over
- Full-mouth or panoramic X-rays once in a 5-year period
- Interim caries arresting medicament application is covered twice per tooth per year. Many restorations are not covered within 2 months of an interim caries arresting medicament application.
- Prophylaxis or periodontal maintenance is covered once in any 6-month period. Additional periodontal maintenance is covered for members with periodontal disease, up to a total of two additional periodontal maintenances per year.
- Sealants limited to unrestored occlusal surface of permanent molars once per tooth in a 5-year period.

Class 2 and Class 3

- Athletic mouthguards are covered once in any 12-month period for members age 15 and under and once in any 2-year period age 16 and over
- Bridges and dentures once in a 7-year period
- Crowns and other cast restorations once in a 7-year period
- Full mouth debridement once in a 2-year period. If age 19 or over, must not have had a cleaning in the last 2 years.
- IV sedation or general anesthesia only with covered surgical procedures in a dental office and when necessary due to a concurrent medical condition.
- Occlusal guard (nightguard) covered once per year at 100 percent between ages 13 and 18 and once every 5 years at 100 percent, up to a \$200 maximum, for members age 19 and over.
- Periodontal surgical procedures by the same dentist to the same site are covered once in a 3-year period
- Porcelain crowns on back teeth are limited to the amount for a full metal crown.
- Scaling and root planing once per quadrant in a 2-year period
- Space maintainers once per space, but not covered for anterior primary teeth or missing permanent teeth or for members age 19 and over
