Important Questions	Answers	Why This Matters:
What is the overall deductible?	\$0 at Indian Health Care Provider (IHCP) or with IHCP referral at non-IHCP. For non-IHCP network providers \$1,500 individual / \$3,000 family. Out-of-network providers are not covered without IHCP referral .	Generally, you must pay all of the costs from providers up to the deductible amount before this plan begins to pay. If you have other family members on the plan , each family member must meet their own individual deductible until the total amount of deductible expenses paid by all family members meets the overall family deductible .
Are there services covered before you meet your deductible?	Yes. Services received at an IHCP or with an IHCP referral are covered at no charge. In-network preventive care , primary care, specialist , urgent care , virtual visits, office visits for outpatient behavioral health, outpatient rehabilitation services and habilitation services , children’s eye care, as well as in and out of network prescription medications are covered before you meet your deductible .	This plan covers some items and services even if you haven’t yet met the deductible amount. But a copayment or coinsurance may apply. For example, this plan covers certain preventive services without cost sharing and before you meet your deductible . See a list of covered preventive services at https://www.healthcare.gov/coverage/preventive-care-benefits/ .
Are there other deductibles for specific services?	No.	You don’t have to meet deductibles for specific services.
What is the out-of-pocket limit for this plan?	For network providers \$7,000 individual / \$14,000 family. Out-of-network providers are not covered.	The out-of-pocket limit is the most you could pay in a year for covered services. If you have other family members in this plan , they have to meet their own out-of-pocket limits until the overall family out-of-pocket limit has been met.
What is not included in the out-of-pocket limit?	Premiums , balance-billing charges, expenses incurred due to brand substitution and health care this plan doesn’t cover.	Even though you pay these expenses, they don’t count toward the out-of-pocket limit .
Will you pay less if you use a network provider?	Yes. See www.modahealth.com or call 1-888-217-2363 for a list of network providers .	This plan uses a provider network . You will pay less if you use a provider in the plan’s network . You will pay the most if you use an out-of-network provider , and you might receive a bill from a provider for the difference between the provider’s charge and what your plan pays (balance billing). Be aware, your network provider might use an out-of-network provider for some services (such as lab work). Check with your provider before you get services.
Do you need a referral to see a specialist?	No.	You can see the specialist you choose without a referral .

All [copayment](#) and [coinsurance](#) costs shown in this chart are after your [deductible](#) has been met, if a [deductible](#) applies.
